

KU Center for International Business Education and Research (CIBER)

Scholarship Application Form

KU CIBER has funding available to support participation in KU Study Abroad programs undertaken by undergraduate and graduate students. Amounts will vary, but generally the award will range from \$500 to \$750. Requests for amounts over \$750 will be considered, but will be granted only in exceptional cases.

Priority is given to programs including language components and/or involving direct involvement with foreign institutions. Additionally, students studying less commonly taught languages shall receive priority consideration.

Applications are reviewed twice each year, on **April 1** and **December 1**. **In addition to this form**, applicants should submit a letter detailing the following elements:

- 1) Describe the Study Abroad program you wish to attend. How does this program fit into your academic *and* career goals?
- 2) Outline the estimated total cost of your participation in the Study Abroad program. How do you plan to cover these costs? Please list any other financial support being requested and provide a brief statement explaining why you need financial assistance from the KU CIBER.
- 3) Briefly discuss your strengths as an applicant for this award (include ARTS form as attachment). What have you done to demonstrate your academic dedication and the seriousness of your interest in international topics?
